1. The normal will become not normal, for the not-normal will become normal, for the norm shall be me, and I shall be NORMAL again. And **I shall STAND the records straight**, and **I shall "straighten" the record**; **the records of me, that make me I am** - a whole complete me again born birthed into the earth, a new ONE and seeing all as me **I SET THE RECORD straight now**, and I speak *"straight to you who hear me" -- will you hear me?*

2. This is Theodore Cottingham, November 8, 2008 at 10:20 AM Saturday morning as I ride down to the coffeeshop to read and post the words that you have given me.

3. The NORM becoming the norm again and "standard normal" shall be I am, not deleting me-records from MY record.

4. School again knows the most high (1); and coming unto me for all knowledge know I am them; and "almost all knowledge high", not; but ALL HIGH, ALL MOST HIGH, the standard normal shall be, me again, again me - knowing who I am, what I have, and now not dillydallying around with other "schools" that school me to be notme **in my "body". Of love now I produce love**, and loved I am for I give love.

5. I give no hate. It isn't. It does not exist until man creates it, and then sends, passes it on to another, by thinking thoughts a notme created, as a notme created himself, don't you see?

6. Do you see how all this works yet? Don't you see how my coffeeshop runs where I spend hours on end? Shall end, not; but *shall* end the standard normal of me that was not me in thought, for thought took my place and de-headed beheaded me. But now my head knows its place for I have a coffeeshop'er who walks your streets and bellows out blessing to all, not; but to all who can hear, HEAR THESE WORDS TODAY: THIS DAY IN YOUR HEARING: ALL THIS, ALL THESE WORDS ARE FULFILLED! And how will you know them? You will know him - who he is, is me healing *many people* in parking lots not few, for **I stand the records straight.** Amen.

7. This is Theodore Cottingham in Big Red in front of Nordaggio's and it's 10:25 AM. I bless you this day.

Amen
